

SNOW COLLEGE CAREER SERVICES

MISSION

We connect students and employers to jobs, internships and careers by:

- Providing excellent, innovative customer service to both students and employers;
- Matching students' educational goals to career readiness; and
- Engaging employers and community members to ensure students are well trained and Snow programs match regional needs.

DESCRIPTION

- We engage and train students in job search skills and workplace readiness;
- We consult with Employers to develop employee recruiting programs or internships that meet or exceed national standards and labor regulations
- We advise Faculty on the development of internships or careers for their students;
- We advise Administrators on regional labor market conditions and employer training needs;
- We work with local, county and regional communities and government agencies to ensure Snow College programs meet their needs.

Snow College Career Services is a member of the Utah Association of Colleges and Employers, the Mountain-Pacific Association of Colleges & Employers, and the National Association of Colleges and Employers. Career Badger Staff also sits on the Utah State Workforce Development Board, DWS 10-county Area Workforce Service Area, and the technical committee for the Six-County Association of Governments.

CORPORATE CAREER BADGER SPONSORSHIP PROGRAM

Career Badger Partnerships are designed to increase employer engagement with Snow College students for maximum return on your recruiting

efforts. Corporate partners also play an important role in expanding or enhancing our student programs and student development efforts.

Depending on the level of participation you choose, Career Services will provide the benefits outlined here for one school year (July 1 to June 30).
